

Briwax (BRWWPCL400)

## Wax Polish Original Clear 400g

Briwax Wax Polish is a blend of beeswax and carnauba wax suitable for applying to bare wood or over Sanding Sealer. A natural wax wood finishing treatment, it gives an instant, long-lasting sheen that is suitable for all types of wood. Ideal for wood carvings and turned wood, for floors and skirtings. This wax polish also cleans and protects tiles, metalwork, marble and melamine etc. Easy to apply and buff, and it dries quickly. Application: Apply with 0000 steel wool, Briwax brushes or cloth. Can be applied directly to timber or onto Briwax Shellac Sanding Sealer. Available in clear, which maintains the natural colour of the wood, and various wood shades to stain and wax in one operation. 1 x Briwax Wax Polish Original Clear 400g
